Look Up "Food Forest Abundance Jim Gale" or GaltsLanding.farm

SCHOOLING UNTOLD

End MOST Boredom, Lack Of Creativity, Forced Learning

"Education should aim at destroying free will so that after pupils are thus schooled they will be incapable throughout the rest of their lives of thinking or acting otherwise than as their schoolmasters would have wished. When the technique has been perfected, every government that has been in charge of education for more than one generation will be able to control its subjects securely without the need of armies or policemen." - Johann Fichte (1806) Influential Philosopher Who Helped Create The Prussian School System Model We Use Today.
